The **primary object** of the Perth Modernian Society (Inc) is the advancement of education for the benefit of the community as a whole. In undertaking the primary object this Society of former staff and students (alumni) must have regard to the educational principles and practices of Perth Modern School from its inception to the present and which may guide the School in the future.

Vision

A vibrant, respected and valued alumni organisation that values inclusiveness, educational excellence and collegiality.

Mission

To provide opportunities to connect Modernians; preserve history and traditions of Perth Modern School; and to support and encourage current students to achieve their personal best.

Values

Modernians share the core values of Perth Modern School in addition to ensuring the inclusiveness and relevance for all past, present and future members of the Society.

2015 PRESIDENT'S REPORT

In its 20th year, the Society continued to blossom in 2015 and achieved many good things, and Modernians collectively again proved to be one of Perth Modern School's most valuable assets. It is not a one-way street: the rewards are great for the alumni who choose to stay engaged with their *alma mater*.

Overview of 2015 activities

Governance

The Council comprised Sallie Davies and Annemie McAuliffe (Vice Presidents), Eve Broadley (Hon. Treasurer), Deborah Beresford (Hon. Secretary), Barrie Baker, Peter Farr (President), Dr Irene Froyland, Ian Jarvis (Communications), Bruce McCallum, and Barbara Mallett. I sincerely thank all of them for their dedicated efforts in 2015. Lois Joll (Principal) reported to Council meetings about school activities/achievements and issues or on occasions was represented by Val Furphy or Steve Jurilj.

Initiatives in 2015

In 2015 the Council commenced three valuable administrative initiatives:

- Self assessment survey - completed by all Councillors and collated and analysed by **Bruce McCallum**;
- Perth Modernian Society Council Calendar - a detailed schedule of all proposed meetings for 2016;
- A new telephone number - when a caller leaves a message, that message is forwarded by email as a sound file to a Council member who deals with the matter.

The Society worked cooperatively with the School administration and the School Board in numerous ways, and these linkages continue to grow. For example, in 2015 the Council commenced the practice of inviting representatives of the other constituent bodies to address an ordinary meeting of the Council. Fittingly, the first to do so was Professor **Michael Henderson**, Chair of the School Board.

The Society applauds the School for commissioning a book to cover the more recent history of Perth Mod (due for launch ~May 2016).

Councillors, volunteers and donors were appreciative to be invited to a range of impressive school events in 2015.

Photo: Modernian Fellow **Donald Tyler** with Peter Farr (left) and Barrie Baker (right) after the Year 12 Presentation Ceremony (Nov. 2015) which was held for the first time in the School's new *Tyler-McCusker Sports Centre* (background)

Premises

The Society is very fortunate to have an Archive room in the Parsons Building, and as well the History Centre. The Society is most grateful that the School administration found a way in April 2015 to overcome a damaging water leak by getting the roof of the History Centre retiled.

Keeping in Touch

Communications

- e-Newsletter, sent quarterly to some 1,600 members (all issues are available on the website);
- Perth Modernian Society portal (www.perthmoderniansociety.org.au);
- eVent Notices;
- 'The Perth Modernian' 16-page glossy magazine. Given increasing mailing costs, in July 2015 the expanded Annual Magazine was distributed via email link to Contributing Members who had provided an email address, and mailed only to those who had not. This Magazine brings more detailed items on issues and research of interest to those members who contribute financially to Council operations;
- The Perth Modernian Society Facebook Page (see below);
- Council agreed in 2015 that the Annual Report for the 2015 calendar year would be prepared for distribution in hard copy at the AGM at the end of April 2016, and to be available on the website thereafter.

Due to circumstances outside its control, during 2014 the Society was forced to plan for the changeover to a different platform for dispatch of the quarterly e-Newsletters and also for the hosting of the website; this was

undertaken in March/April 2015. Many thanks to volunteer **Ian Jarvis** for the time and effort he put into this and other ICT Matters.

The Perth Modernian Society **Facebook** Group was set up about 5 years ago by **Reece Harley** and as at Feb 2016 it had 328 members. FaceBook is a good vehicle of communication for the younger generation of Modernians as it is quick and accessible (e.g. Music Teacher **Celia Christmass** placed an invitation "To past Mod Music Students" to join the 2015 Anzac Day Choir). **Emma Scott** posted an invite in Feb. 2016: "*Hi class of '96 - Who's up for celebrating our 20*

year reunion this year? That sure came up fast!"

The ANZAC Centenary in 215 greatly heightened the interest of the general public in WWI history and so it has been at Mod culminating in the Centenary ANZAC service in the new **Tyler-McCusker Centre** on 24 April 2015, and the special ANZAC interpretive displays developed in association with the Historical and Museum Committee by the Town of Cambridge Library and by the History Centre volunteers for the School.

Annual Oration

Distinguished Modernian Professor **Shirley Randell AO** delivered the fifth Annual Oration to senior students and visitors in August 2015. Shirley's topic was titled '*Global Citizenship: Learning to contribute to and take part in a Wider World*'. (The oration is available on the Society's website). Shirley spent time with students over morning tea following her presentation. She has also since indicated her desire to fund a Sphinx Scholarship in the Social Justice area, which the Sphinx Foundation and PMS have recently confirmed they are delighted to facilitate.

Reunions

Considerable effort has been made to re-vitalise the attendance at the **Annual Reunion** and in 2015 numbers were up on the previous year. A plaque was unveiled to honour former student, teacher and Old Modernian President Eric Strauss with the naming of the new Sports Facility situated in the north west corner of the School grounds (near the History Centre). Thanks go to Vice President **Annemie McAuliffe** and Guest MC **Rebecca Dollery**, student 1999-2003, of ABC fame - for her part in the success of the day.

Thank you also to **Annemie McAuliffe** and **Irene Froyland** for their efforts to provide an information service for organisers of class/year reunions. The enthusiasm for these events appears to be increasing.

History Centre and Archives

The Council is thankful for the dedication of the volunteers who contributed more than 3000 hours to the History Centre and Archives over the year. Their work will require paid support if it is to grow and continue to serve members, the School and the wider community in a meaningful way. This was partly the motivation for the Council resolving in 2015 to set about creating a special tax-deductible **Museum Fund** (see below).

Constitution Amendments

To this end, the first step taken was to set about amending the Society's Constitution so that a Museum Fund set up by the Society would potentially be eligible for Deductible Gift Recipient (DGR) status by the ATO. The fairly minor amendments were put and carried at a Special Meeting on 5th Sept. 2015 (as part of the annual reunion). Subsequently, the revised Constitution was submitted to the Dept. of Commerce (Associations and Charities, Registration Section) for its approval, which was obtained in late Oct. 2015. At the time of writing, work is progressing on the application to the ATO for DGR status. If this is successful, it will be another milestone for the Society. The Society's updated constitution is on the website: www.perthmoderniansociety.org.au

The Associations and Charities, Registration Section advised Council that the Constitution would need further amendment to comply with the Associations Incorporation Bill 2014. However, to allow time for existing incorporated associations such as the Perth Modernian Society to ensure that its rules comply with the new law, the general requirements for content of rules in the new law will not apply to an existing association until the expiry of a transition period of 3 years after the new Associations Incorporation Act 2015 commences (1 July 2016). This is to give existing incorporated associations plenty of time in which to ensure their rules comply with the new law. The task of Constitution Revision will be significant and the Society will most likely need legal assistance.

Perth Modern School Board

As an Independent Public School (IPS), Perth Modern School has a school Board comprising the Principal, parents, staff and members of the general community. Since its inception, the Society has been invited to nominate one of the Board's Community members. The Council was very pleased to nominate **Dr Irene Froyland** as its nominee from the beginning of 2015, taking over from Deb Beresford who had served the permitted maximum of three terms.

Membership Trends

Membership levels remained steady, but regrettably a significant number of members passed away in 2015. Changes in memberships over the past six years are summarised in the table below:

Year ended December:	New 4-Year Contributing Members	Total 4-Year Contributing Members	Registered Members
2010	29	471	3196
2011	18	494	3366
2012	85	580	3758
2013	35	614	3638
2014	108	722	3559
2015	38	765	3583

The Society's **Strategic Plan 2014-2017** focuses on the need to expand membership - especially in the post-scholarship era cohorts, and to entice more members to volunteer their services so that the workload can be spread better and more can be achieved where gaps have been identified.

Finances

The Financial Statements for the Society have been prepared by the Hon. Treasurer Eve Broadley.

The Council of the Society resolved in February 2015:

- A. That the Society discontinues engaging auditors for all accounts other than that of the Sphinx Scholarship Fund and seeks endorsement of this at the next AGM.*
- B. That all financial recommendations be referenced against the current Society Strategic Plan.*

Accordingly external audits have not been commissioned for the Society or the Sphinx Foundation Inc. for the 2015 Financial Year. The external audit of the Sphinx Scholarship Fund for 2015 was completed without any issues being raised in March 2016.

Income and Expenditure - Perth Modernian Society Inc.

In 2015, Income amounted to \$14, 463 and Expenses \$12,240, giving a net Operating Profit of \$2,223, and leaving the Society with a net cash at bank at 31/12/2015 of \$18,164.

- The main recurrent cost items comprised: Newsletters (\$1,272), Printing, Stationery & Postage (\$935), IT, Communications and website hosting (\$3,116), Insurance (\$1,596).
- Net function cash inflows amounted to \$1,160 after payment of a donation to the Music Department as thanks for staging a memorable concert for Annual Reunion attendees.
- The Society was grateful to the School to be given the opportunity to run the football parking using the School grounds for one AFL game which resulted in a payment of \$2,873 back to the Society. Without this income, the Society would have run at a small loss for the year.

The anniversary occurred in 2015 of the inaugural Contributing Members who subscribed in 2010 and 2011 to the 4-Year financial contribution, so accordingly, renewal notice were sent to these Members in late 2015. By decision of the Council, the Contributing fee was raised by \$20 to \$120 for 4 years to help cover increased costs faced by the Society.

Sphinx Foundation Inc

Governance: In 2015 the Board of Directors comprised: Al Koenig (to Feb 2015), Barrie Baker (Hon. Secretary), Peter Farr (Hon. Treasurer), Eve Broadley and Petrice Judge, with Val Furphy (Associate Principal) (ex-officio) representing the School.

The **Sphinx Scholarship Fund** is independently audited and the **Sphinx Foundation** reports annually as required to the ACNC (Australian Charities and Not-for-profits Commission).

With the assistance again of Emeritus Professor Lesley Parker, the Board played a big part in the process of advertising for and selecting scholarship and bursary winners. A record amount of \$42,360 was distributed to 43 Awardees in Feb. 2016. Of these 21 were new awards and 22 were renewals. Thankyou letters/emails were received by the School and donors from a large proportion of the Awardees.

An Annual Giving Appeal to raise funds to enable 3-year entry scholarships to be converted to 4-year scholarships from 2015 was conducted in May 2015 and very pleasingly resulted in 58 donors contributing \$29,000. In addition, 6 other donors contributed \$57,000 for specific scholarships to bring the year's total donations to the wonderful figure of \$86,000.

The wonderful support of some 250 donors to the end of 2015 has raised \$671,000 and has permitted the Sphinx Foundation Board between 2010 and Feb 2016 to provide 131 awards totalling \$151,000 to incoming students (Years 7 and 8) with demonstrated financial needs or other circumstances, or to Year 10 students who have demonstrated high achievement in specific academic subjects. 2015 was the first year that four Scholarships in the Sciences and Maths have been awarded - this was made possible by the generosity of Don Tyler and several other Modernians.

Photo: Sphinx Scholarships presenters Dec 2015; **Allen Prince** (representing Don Tyler), **Julia Heptinstall** (representing her father the late John Down) and **Peter Farr** (Perth Modernian Society & Sphinx Foundation)

The Sphinx Foundation Board has set itself four principal targets for 2016:

- (i) Board expansion and sharing of the workload associated with the Scholarship Fund;
- (ii) investing wisely and managing investments prudently in an exceedingly challenging investing climate;
- (iii) raising approximately \$35,000 through an Annual Giving appeal to complete the task of converting 3-year entry scholarships to 4 years; and
- (iv) to make further headway on establishing academic excellence scholarships for all remaining learning areas - namely Technology and Enterprise, Social Science, Politics/Law, Languages, Health and Physical Education, and the Arts, with the aim of promoting excellence and assist with education costs in Years 11 and 12.

With respect to (i), following due diligence, two excellent candidates for Directors were invited to join the Board at the end of 2015, and in Feb. 2016 the Council of the Perth Modernian Society endorsed the appointment of **Jeanette McQueen** (1961) and **Nigel Hunt** (present parent of a Mod student. With six Directors, the Board now has greater capacity to share the workload and pursue new initiatives.

Shaping the Future - Challenges

As a member-focused organisation, the Council is looking to try and create events that will appeal more to younger generations of Modernians. With some 328 Modernians presently on the Perth Modernian Society Facebook Group, the Council is hoping for this to be a vehicle to assist in communicating better with the younger cohorts.

Resourcing the History Centre (money and man-hours) stands out as a great collective challenge for members of the Society. To this end, work is progressing on the application to the ATO for tax-deductible status. If this is successful, it will be another milestone for the Society.

A webmaster is needed who can keep the Society's portal relevant and current.

The task of Constitution Revision caused by the Associations Incorporation Act 2015 will be significant and the Society will most likely need legal assistance.

I sincerely thank on members' behalf the Society's Councillors, the H&M Committee, the Sphinx Foundation Board, other volunteers, and special contributors for the enormous amount of work and goodwill that they put in to so many projects during 2015 and year-to-date 2016.

ANNUAL REPORT

History Centre and Archives

E: museum@perthmoderniansociety.org.au or phone (08) 6189 3690

2015 began with new IT hardware purchased by the Perth Modernian Society with a **Lotterywest Grant of \$5,000**. These increased the capacity of our IT capabilities and are now in use by the History Centre and Archives volunteers who maintain systems and records, both historical and membership.

The biographical database developed and maintained by Ian Jarvis, student 1954-58, was renamed the **Jarvis eXMod Database** to be referred to as **Jed**. This facility sits alongside the hard copy **George Burvill Biographical Index** (GBI). The name in each instance recognises the volunteer responsible for its initial development to accommodate the biographical records of the Society.

Donations of interest

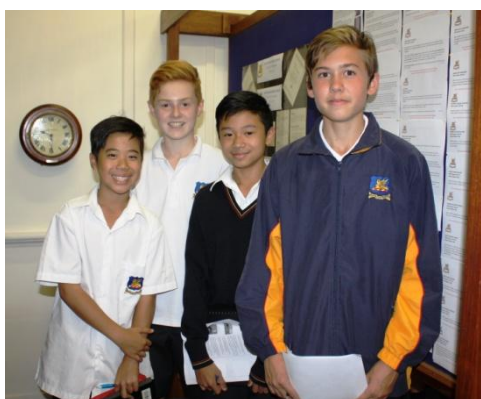

Nora McWhinney, student 1949-53 donated a framed print of Perth Modern School which she purchased at an Opportunity Shop. Unframed copies have been released from the Archives. These are available to interested persons or for use as placemats at Reunions.

The original **Perth Modern School pound cupboard** bearing student signatures dating from 1921, and two map cabinets donated by the School have been put to good use in the History Centre.

A second limited edition print of Perth Modern School by Austin Platt determined as being excess to requirements for the PMS Art Collection was passed to the History Centre in a stained condition has now been restored and framed at no cost to this committee. A woven image of Perth Modern School by **Joyce Kirkham (née Doran)**, student 1926-30, has been cleaned, restored and framed at no cost by volunteers Gay (student 1954-58) and daughter Christina Albillos.

Visits of note

- Katie Chin – PMS Art teacher
- Chairman of the PMS Board, Professor Michael Henderson
- Prue Griffiths, Research Officer employed by the Subiaco Council to document the history of Subiaco Oval.
- Kerry and Annemie McAuliffe who offered the benefit of Kerry's legal expertise for the DGR application.
- Malcolm Queckett, reporter for *The West Australian*, during an official visit to the School, 20 March.

Year 8 ANZAC visits to view a display featuring *The First Decade of Perth Modern School*, with a questionnaire:

- Thursday 23 April, one class of 30 students and one teacher
- Friday 24 April, two classes of 54 students and two teachers following the ANZAC Assembly
- Tuesday 28 April, two classes of 55 students and two teachers
- Thursday 7 May, one class and one teacher on her return from Gallipoli
- Friday, 8 May, one class and one teacher on her return from Gallipoli

Modernians from the **Class of 1955** visited the History Centre during a heritage trail tour as part of their 60 Year Reunion in November 2015. A Sphinx banner has been left with the History Centre for use by other reunion groups and donations were received by both the Historical and Museum Committee and the Sphinx Scholarship Fund.

The History Centre was also open for visitors at the **Perth Modernian Society 2015 Annual Reunion** on 5th Sept. 2015.

Research Projects

- The expanded time line for the history of the School continues to be researched and has been invaluable in guiding the selection of historical display items and information requested for various projects
- The History of Student/Staff involvement time line enables references to be integrated (ongoing)
- One further Prefect for 1911, 1912 has been identified but there still appears to be one short for 1912
- PMS Heritage Trail – has been trialled and research and development continues
- 100 years of *The Sphinx* research has continued and a complete set of photocopies is in preparation for use in the History Centre
- The history of Thomas Street School is being further researched
- No direct PMS links with Subiaco Oval have been identified but this research remains ongoing
- War Service information across all students is continuing
- Research of biographies of notable Modernians for a publication commissioned by the Principal:

From its inaugural year in 1911, Perth Modern School has produced many remarkable students who have not only excelled academically, but as alumni have made outstanding contributions to many professions and the community. The book ***A Celebration of Contribution: Tales of the courage, commitment and creativity of Modernians*** to be launched in mid-2016 will provide fascinating biographical snapshots of over 160 former students from 1911-1963 whose achievements have benefitted the local community, the state, the nation and in some cases, the world.

[Further information is available through www.perthmodern.wa.edu.au]

The **Historical and Museum Committee** is appreciative of the many members of the Perth Modernian Society and their families and friends who keep us informed of deaths, honours and other special items of interest. In addition, the memorabilia, photographs, Sphinx magazines and other artefacts donated continue to add to the rich tapestry which records the history and legacies of Perth Modern School. The work of compiling the information and collections for display and for reference is carried out by volunteers, mostly former staff and students of Perth Modern School. Your help is always appreciated.

Barbara taught for a brief period as well as spending some time in the business world of Telstra, before “retiring” to life as a mother and hobby farmer when the family moved to the Perth hills a few years later. During this time Barbara was very active in the P&C at Parkerville PS, which led to her accepting the position of State Councillor for the WA Council of State Schools Organisation for the Northam District. In 1990 she returned to teaching, and pioneered a German language programme in a metropolitan school. Later she switched to Italian and enjoyed being part of a primary school Italian programme for about 6 years.
